

“Total Access Clean Up at Industry Awards”

01/07/08

Total Access (UK) Limited the UK’s leading Height Safety Support Services Company were this month presented with the National Building Cleanability Award for their Industrial Rope Access Cleaning Services provided to the Spinnaker Tower, Portsmouth.

The awards were presented by The Master of the Worshipful Company of Environmental Cleaners, Kenneth Marriot at a Luncheon Presentation Ceremony at Guildhall, London on the 30th June attended by over 400 guests.

A total of 75 buildings and contractors from all parts of the UK were nominated for this bi-annual awards scheme with Total Access successfully receiving this industry award having been audited against the very strict criteria.

Sales Director Richard Hinckley proudly received the award and commented “we are obviously very proud to have been awarded this industry accolade amongst very strong competition; we are extremely pleased that our specialist contracting service has been formally recognised by the Worshipful Company”.

Managing Director Graham Burnett added “I am especially delighted as this award represents another major milestone in the acceptability of Rope Access as permanent means of building access”.

As well as receiving the National Award Total Access (UK) Limited were also successfully awarded a 5 Star Rating for their Industrial Rope Access Services provided to Property Management Company CB Richard Ellis on Birmingham iconic structure, Beetham Tower.
