

Small (0-49 employees)

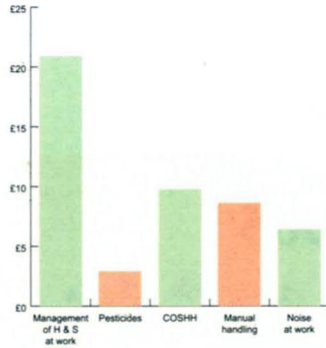

Provision of PPE and training were therefore amongst the main expenditures across the majority of sectors for small organisations.

Medium (50-249 employees)

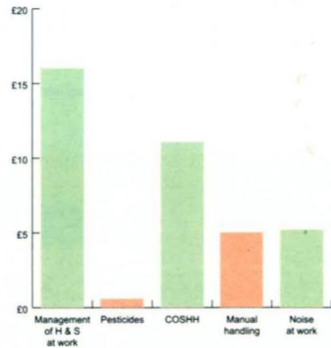

Training provision was the main expenditure for all five sectors across the medium-sized organisations.

Large (250-4999 employees)

Training provision was also the main expenditure for all five sectors across the large organisations.

Very large (5000+ employees)
